

FOR IMMEDIATE RELEASE

**National Dentex Labs Presents Donation to Help Deliver Smiles
In Support of the Smiles for Everyone Foundation, National Dentex Labs Makes \$5,000
Contribution**

Dallas, Texas – January 21, 2019 – On Friday January 10th, representatives from [National Dentex Labs](#) presented a donation to the [Smiles for Everyone Foundation](#) at the [Smile Brands Inc.](#) Annual Leadership Meeting in Dallas, Texas.

National Dentex Labs is a dental restoration and appliance lab service, and is a proud supporter of the Smiles for Everyone Foundation. The company gifted the nonprofit organization with \$5,000 to help deliver free dental services to low-income individuals in seven countries globally. The grant was presented to the Smiles for Everyone Foundation's Founder, Chairman and CEO Steven C. Bilt, as well as the 2018 Paraguay International Outpost Team.

Every \$1 donated to the Smiles for Everyone Foundation provides \$25 in donated dental care, so National Dentex Lab's contribution goes a long way. This donation recently sponsored one of the Foundation's Day of Giving free dental clinics. Their grant allowed over 90 low-income, underinsured patients in Austin, TX to receive pro bono dental care, improving their oral health and quality of life. NDX also continues to support the Smiles for Everyone Foundation's Smile Makeover program by donating pro bono lab services to the restoration cases. Their combined monetary and in-kind donations will continue to support the Foundation's efforts to deliver Smiles to people in need.

The Smiles for Everyone Foundation extends its sincerest gratitude to National Dentex Labs for supporting the mission of delivering Smiles for Everyone!

About National Dentex Labs

National Dentex Labs is the largest dental lab network in the United States. NDX offers more than 30 service-oriented local labs, aesthetic labs with deep experience and skills, simple domestic and offshore mail-order options, and the most advanced technology in digital dentistry and surgical planning.
