ABOUT **ABA BUSINESS GROWTH**

ABA Business Growth is an elite recruiting, retention and consulting firm specializing in supporting the workplace needs of ABA organizations worldwide.

Our commitment to ABA providers and experience in the field has given us great insight and perspective into the challenges ABA organizations face each and every day. We understand and are here to help!

OUR **SERVICES**

We offer an extensive array of services to help achieve the goals you have set for your organization.

- BCBA® and RBT® Recruiting Services
- Training and Supervision Programs
- Business Accelerator Consulting Services

ELITE RECRUITING AND TALENT MANAGEMENT

Our recruiting and talent management services focus on helping organizations find the very best **BCBA®** and **RBT® candidates**. Finding even one BCBA® and RBT® for an open position in today's marketplace is difficult, and with the field growing at an exponential rate, the need for multiple clinicians and technicians continues to increase.

ABA Business Growth utilizes an innovative **Pipeline Development Recruiting Model**, which provides a select list of qualified candidates that match the unique needs and business culture of your organization.

POST JOBS USING OUR PROPRIETARY BCBA AND RBT DATABASE

We support and foster a **20,000+ community** of professionals actively looking for career opportunities. This includes the only RBT® candidate database in the market.

We work with your organization to send an email marketing campaign directly to our candidate community. This service gives you the opportunity to share your openings with qualified candidates who want to hear from you! Our open rates for email marketing campaigns are an impressive 25-40%!

PROFESSIONAL DEVELOPMENT FOR YOUR ENTIRE TEAM

ABA Business Growth offers organizations the very best in education and professional development. Their comprehensive online educational programs develop skills for front-line and clinical team members. The programs exceed the requirements defined by the **Behavior Analyst Certification Board (BACB)** and they offer continuing education credits staff may use to earn and maintain specific licenses and certifications. Our special training packages offer businesses great professional development opportunities at excellent group rates.
