***Moving Customers Since 1949 & Still Going Strong...***

Morton J. Lemkau Moving and Storage has been moving Long Islanders since 1949 both locally and long distance. We have literally moved thousands of customers, and multi generations. The vast majority of our business has come from referrals from our loyal customer base.

Lemkau Moving is now in a larger office and truck yard, as our company has grown. We are conveniently located in Syosset, which allows us to better serve the Long Island community in our centralized location.

If you have not utilized our relocation and moving services in the past, we ask to consider us. We are an A+ Rated Accredited Better Business Bureau Member, and we have a Five Star review rating, which is posted on our website through ReviewStars.

We invite you to call us today for a free, no commitment in-house estimate. We'll discuss all of your moving and relocation requirements and we'll provide you with a detailed estimate. We'll also provide you with some helpful information on preparing for your move, and being ready on your moving day.
