## Milgard Recognized for 6<sup>th</sup> Year in a Row Best of Houzz Design

**Tacoma, Wash. (February 25, 2020)** – Milgard® Windows & Doors is proud to receive the *Best of Houzz* Design accolade for the 6<sup>th</sup> straight year.

*Best of Houzz* Design is an annual people’s choice award determined by over 40 million users of the Houzz community. It highlights home remodeling and design professionals with the most popular photos saved to Houzz Projects and Ideabooks.

“Milgard is honored to receive this designation from Houzz for the 6<sup>th</sup> year in a row,” said Jeremiah Noneman, senior director of marketing at Milgard Windows & Doors. “Milgard works hard to design beautiful, high-quality windows and patio doors to help homeowners create their dream home and Houzz is a great tool to help them achieve the right look down to the smallest detail.”

“This year’s *Best of Houzz* awards go to an incredibly talented and service-oriented group of home remodeling and design professionals, and we’re proud to highlight the winners on the Houzz website and app,” said Liza Hausman, vice president of Industry Marketing for Houzz. “This award is particularly meaningful as it reflects the sentiment of the millions of homeowners in the Houzz community who are hiring home professionals for their projects across the U.S. and around the world.”
