KARMA
PAYMENTS

A New Era in Nonprofit Donations

In an increasingly cashless world, the Instant Karma device is ushering in a new era of nonprofit success. This enables nonprofit organizations to inspire generous donations via mobile pay and all major cards in a creative, low-pressure, and convenient manner.

Mobile

Mobile Instant Karma is your on-the-go donation powerhouse. The stylish design is complete with an ergonomic handle and an eight-hour battery. This sleek terminal is advantageous for festivals, fundraisers, or remote locations.

Features

- 8 Hour Battery Life
- 4G Wireless Connectivity
- Swipe, Chip, and Contactless Card Donations
- Available for Rent, Lease, and Purchase

Tabletop

Tabletop Instant Karma is designed to take advantage of brick-and-mortar and other fixed locations. The tabletop device can be securely fastened to countertops or tables in community gathering locations.

Features

- Traditional Wall Socket Power
- 4G Wireless, WiFi, or Ethernet Connectivity
- Swipe, Chip, and Contactless Card Donations
- Available for Rent, Lease, and Purchase

Integrated

Integrated Instant Karma is the most versatile cashless donation terminal on the market. Motivate donors by creating interactive displays, or modernize your existing cash donation box. The only limit to the Integrated Instant Karma is your imagination.

Features

- Integrate with Devices Like Raspberry Pi
- Create Powerful Multimedia Displays
- Swipe, Chip, and Contactless Card Donations
- Available for Lease and Purchase

Powerful Accessories

Interactive Display

Create an interactive donor experience. Human emotion plays a large role in converting your audience into donors. Our Interactive Display Computer can trigger any electronic action, video display, robot...you name it. Thank your benefactors with a video, tell a story, and collect donor data with an online form.

Custom Branding

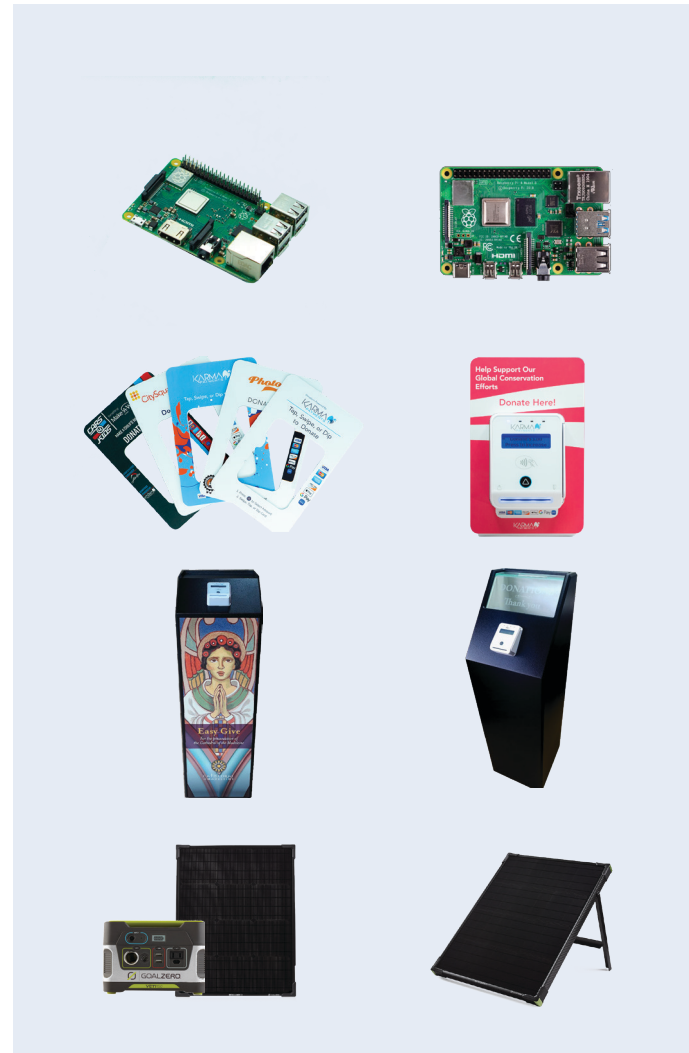

Draw in donors with a striking design and powerful message. Our team of dedicated designers will consult with your organization to tailor-make a branding plate that aligns with your desired messaging and style.

Hybrid Cash and Cashless Donation Box

Designed to combine the tradition of cash donations and the convenience of cashless donations. Built from the finest, most durable materials, these donation boxes are guaranteed to ignite your fundraising efforts. Available in Desktop and Pedestal styles.

Solar Power Package

Place your Cash Donation Box or Instant Karma in a remote location with a Solar Power Package. Utilizing Next-Generation Solar and Battery Solutions, your Instant Karma will accept donations outdoors, around the clock.

We're Center Stage at the GRAMMY Museum!

Interactive displays amplify giving opportunities; they engage fans and inspire instant philanthropy. Patrons who donate to the GRAMMY Museum will have their name and song selection presented on screen in the Daily Donor list. Connect with us to create a customized multimedia presentation for your nonprofit.
