COMMUNITY CRUNCH 3+1 MEAL KIT

FRESHCRUNCHFOOD.COM

LAST WEEK WAS CRAZY.

Over the course of 24 hours, our family small business, Fresh Crunch, lost all of it's annual revenue when the travel industry collapsed and the farmers markets closed.,

For a hot second we panicked. Then we pivoted.

The Community Crunch 3+1 Meal Kit concept is 100% grounded in necessity, both for our family's livelihood and for the needs of the community.

Thank you for supporting us in this effort. Please help us grow.

How: Share pictures and reactions to your 3 +1 Meal Kit on Facebook and Instagram and recommend Community Crunch to your neighbors.

We will get through this together, enjoying delicious dinners and helping our neighbors in the process.

From our hearts to yours, THANK YOU for supporting our venture.

XO Matt, Jenn, AJ, Ashby and Custis Bressan
