

# What are IRS Payment Plans?

Platinum Tax Defenders

**IRS payment plans are tax payment plans that can help you to repay your tax debts. If you wish to pay your taxes in installments instead of all at once, you can set up payment plans with the IRS. It enables you to pay taxes in an increased timeframe.**

# How can I plea for a payment plan?

You must figure out how much you owe to the IRS.

After this, you can fill out the installment agreement request form and apply for the plan.

Depending on the amount you owe to the government, your plea will be approved or rejected.

## HOW MUCH DOES IT COST TO SET UP AN IRS INSTALLMENT PLAN?

Certain additional charges will be added to your taxes. This additional fee is basically for setting up the payment plan. However, considering the tax debts that you have, this cost won't be high. Contact an expert to find out more about the setup cost.

# TIPS TO AVOID PROBLEMS WITH THE IRS.

**It is advised that you do not miss payments in your installment plan.**

**You can mail your check to the IRS about ten days before the next due date. This is so that you don't accidentally miss payments.**

**It is to be noted that you may not receive a refund in the future if you are paying taxes via an installment plan.**
