

## **DINO DANA: DINO FIELD GUIDE** AN EDUCATIONAL ADVENTURE FOR YOUNG DINOSAUR ENTHUSIASTS— NOW IN BOOK FORM!

By J.J. Johnson, Christin Simms  
& Colleen Russo Johnson, Ph.D

Paleontologists-in-training, get ready! The new *Dino Dana: Dino Field Guide* is coming out in May 2020, from Mango Publishing and Sinking Ship Entertainment. Based on the Emmy award-winning *Dino Dana* show on Amazon Prime, kids around the world will now be able to have their very own field guide.

*Dino Dana: Dino Field Guide* is packed full of fascinating facts about dinosaurs, colorful illustrations, and notes from Dana herself, young dino fans will be able to study the fiercest pre-historic creatures and keep notes on what they learn.

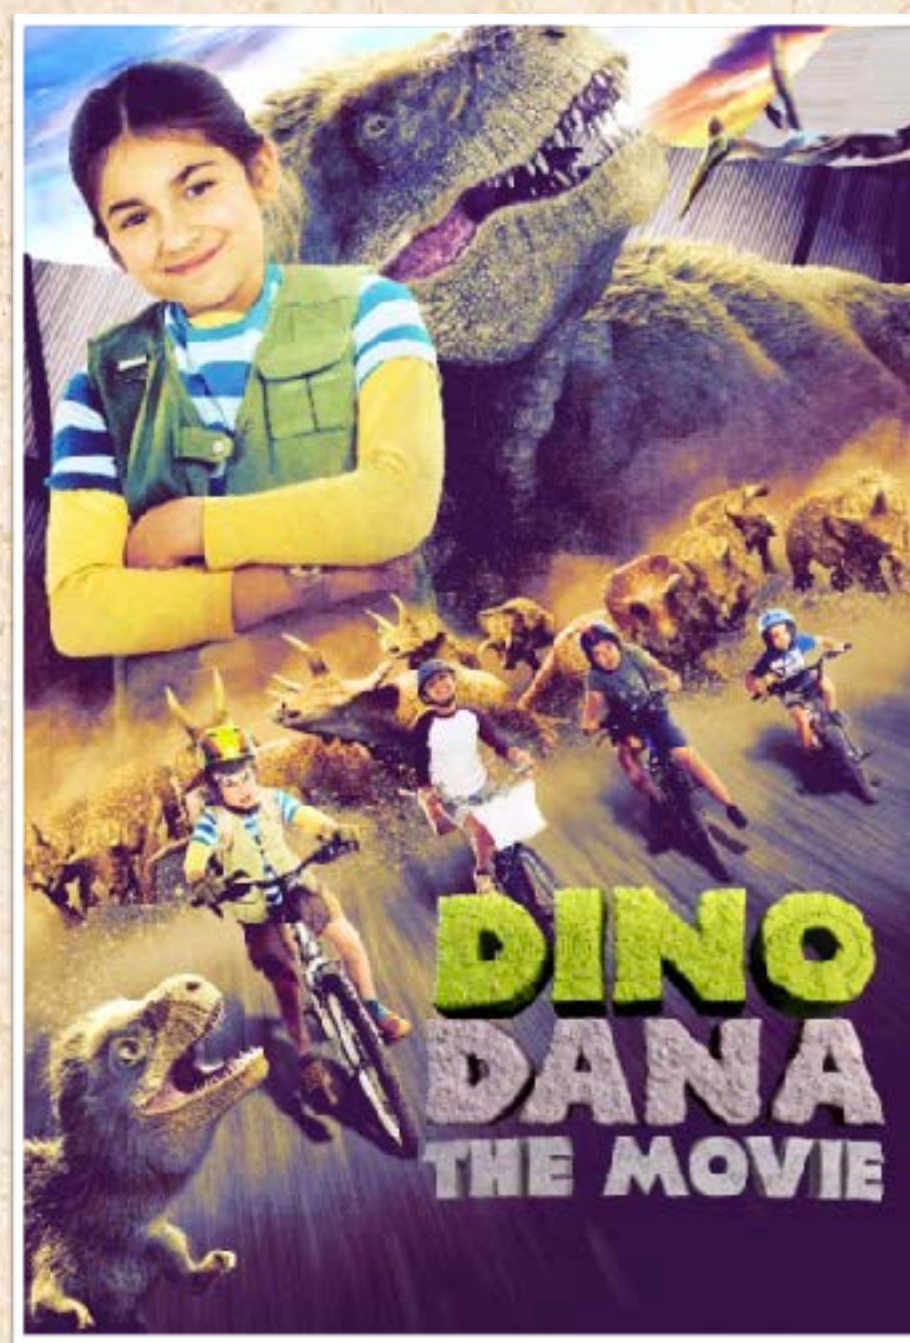

"Kids see the world differently than adults; they see the magic in science and dream about seeing real life dinosaurs. *Dino Dana* the series has always been about the incredible power of kids' imaginations..." says J.J. Johnson, co-writer, director and executive producer.

**Come face to face with your favorite dinosaurs:** From the extremely long neck of the brachiosaurus to the swimming chops of the Spinosaurus, you and your child will marvel at the incredible life dinosaurs lived. Learn about their habits, size and modern-day relatives and interesting facts like:

- Which time period did each dinosaur live in?
- How big were the dinosaurs?
- What kinds of things did dinosaurs eat?

Fans will be excited to know that *Dino Dana: The Movie* will premiere in movie theatres soon! The North American theatrical release presented by Fathom Events and Sinking Ship Entertainment will include a fun interactive *Dino Dana* experience. Based on the popular kids' series and starring Michela Luci, "*Dino Dana The Movie*" follows 10-year-old paleontologist-in-training Dana on an epic action-packed dinosaur adventure. With exclusive content including a welcome message from Dana and some of her prehistoric friends, young fans will become certified *Dino Dana* paleontologists-in-training themselves at the event.

**All Dino Dana events, nationally and internationally, will be postponed. More on their website [www.FathomEvents.com](http://www.FathomEvents.com)**
