## Manuel Garza Promoted to Senior Project Architect

**San Antonio, Texas, May 04, 2020** -- Manuel Garza, RA, LEED AP BD+C has been promoted to the position of Senior Project Architect, the company announced Friday.

Garza has worked for Pfluger Architects since 2002 and has served in varying roles, including Project Architect, Project Manager, and Project Designer.

“Manny has been a team-player who provides continuity for clients and our projects. His depth of knowledge of the construction process is apparent on every project he designs, and we are grateful for his leadership, eye for quality, and depth of knowledge,” said Mark Lam, COO.

Garza has worked on many award-winning Pfluger projects, including David Lee “Tex” Hill Middle School for North East ISD and Legacy High School for Southwest ISD. He is currently working on several projects for United ISD, including their new Aquatic Center.
