THE
TRADE
GROUP®

As the **WORKFORCE** makes its way back into offices across the country, businesses will need to effectively maintain a safe and **HEALTHY WORK ENVIRONMENT.**

BEFORE AFTER

THE TRADE GROUP is positioned to provide fully brandable ENVIRONMENTS with an emphasis on the importance of reducing risk.

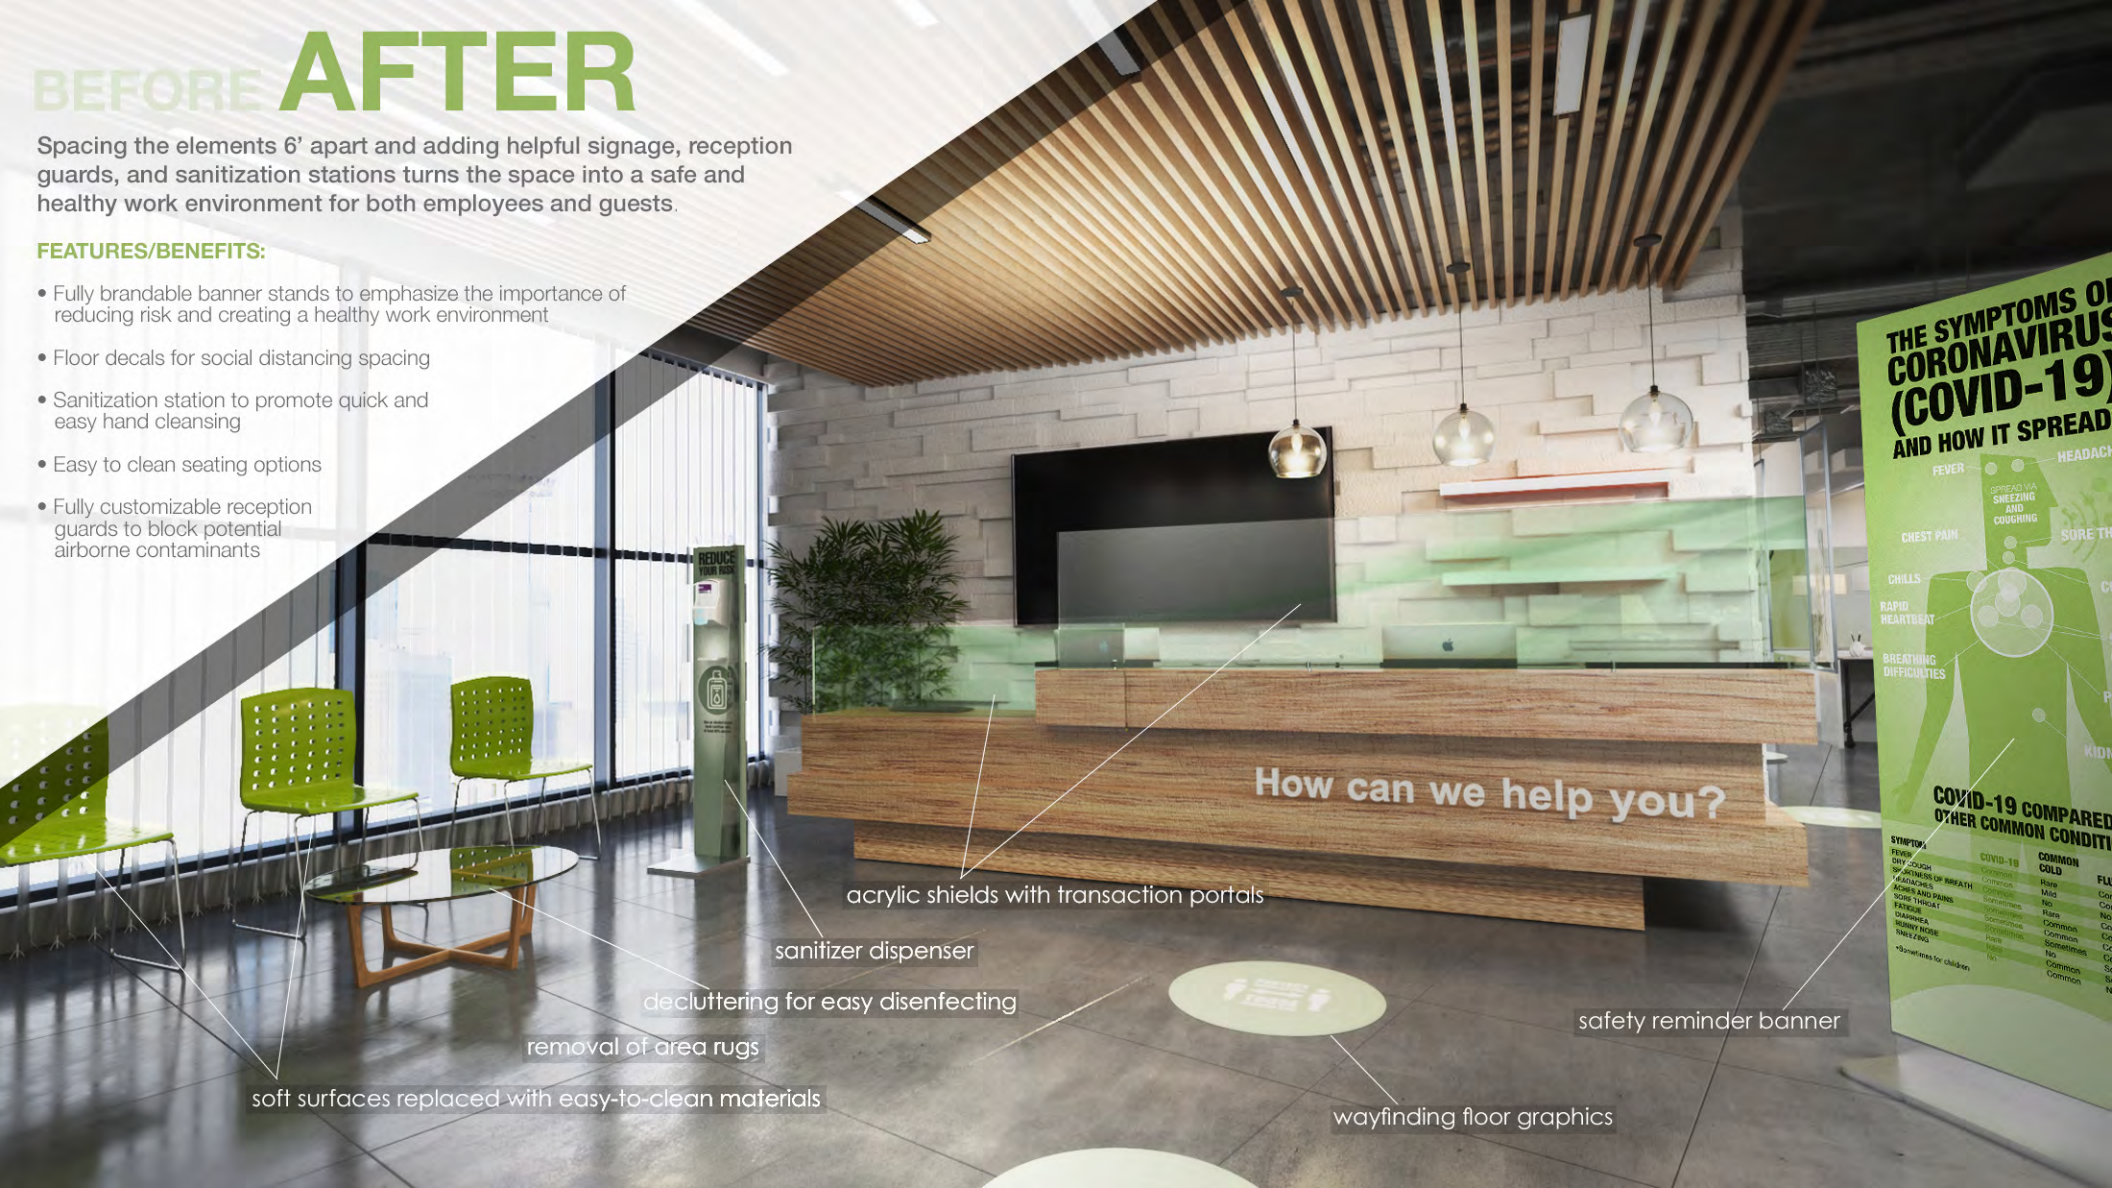

How can we help you?

BEFORE AFTER

Spacing the elements 6' apart and adding helpful signage, reception guards, and sanitization stations turns the space into a safe and healthy work environment for both employees and guests.

FEATURES/BENEFITS:

- Fully brandable banner stands to emphasize the importance of reducing risk and creating a healthy work environment
- Floor decals for social distancing spacing
- Sanitization station to promote quick and easy hand cleansing
- Easy to clean seating options
- Fully customizable reception guards to block potential airborne contaminants

BEFORE AFTER

THE TRADE GROUP is positioned to provide fully brandable ENVIRONMENTS with an emphasis on the importance of reducing risk.

BEFORE AFTER

Separating desks and adding expandable cubicle guards is the first step in designing an office space for a post-quarantine world.

Social distancing signage and room guards also aid in promoting healthy habits while maintaining your branding and interior design aesthetic.

FEATURES/BENEFITS:

- Fully brandable banner stands to emphasize the importance of reducing risk and creating a healthy work environment
- Floor decals for social distancing spacing
- Sanitization station to promote quick and easy hand cleansing
- Easy to clean seating options
- Fully customizable reception guards to block potential airborne contaminants

REDUCE YOUR RISK

TAKE SIMPLE STEPS TO REDUCE THE SPREAD OF GERMS

Keep your workstations clean. Stay home when you are sick. Wash your hands with soap and water for at least 20 seconds.

Use an alcohol based hand sanitizer with at least 60% alcohol. Cover your cough or sneeze with a tissue. Then throw the tissue in the trash. Cough or sneeze into your elbow if you do not have a tissue.
