

PrestigePEO Partners with FinFit to Offer Financial Wellness Resources

[Long Island, New York, July 7, 2020] – PrestigePEO, a leading professional employer organization (PEO) that partners with small and mid-sized businesses throughout the United States to deliver full-service HR solutions, is excited to announce a new partnership with [FinFit](#) to offer clients and their employees access to a comprehensive suite of financial wellness resources.

FinFit enables employees to achieve greater financial well-being through a wide range of educational resources, tools, and financial services. FinFit's platform includes personal wellness assessments for each employee with recommended learning paths, budgeting tools and a financial planning dashboard, one-on-one financial coaching, student loan assistance, and access to financial services.

"Financial wellness is key to overall employee wellness. During these economically uncertain times, these wellness tools can prove invaluable to individuals trying to navigate their financial futures. Furthermore, corporations offering these value-added benefits are better situated to attract and retain top talent. PrestigePEO is thrilled to partner with FinFit to offer our clients and their employees such a benefit" says Ryan Yannalfo, Director of Client Implementation at PrestigePEO.

PrestigePEO is committed to helping our clients streamline operations and reduce costs by stepping in to manage critical HR functions like employee benefits, payroll administration, legal compliance, and more. Contact us today to learn more about FinFit and all our employee benefits offerings.
