FEED THE FUTURE

NOW FUNDING ON  
KICKSTARTER

THE AQUATREE™ IS THE FIRST MODULAR AND APPROACHABLE INDOOR GARDENING SYSTEM OF ITS KIND.

Grow Local is passionate about helping future generations harvest their own organic produce in a sustainable way. Help us change the way we think about food!

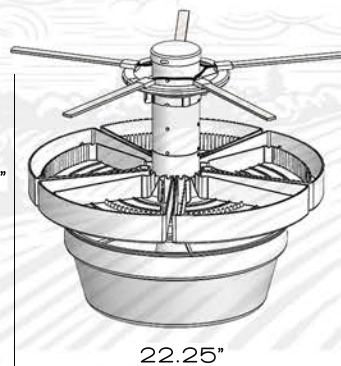

THE AQUATREE™ FEATURES:

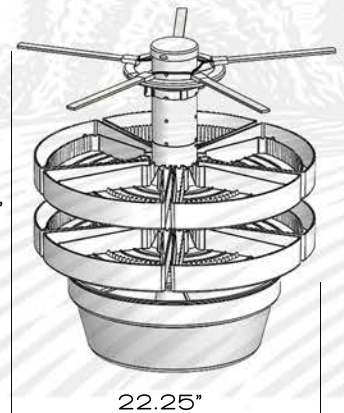

- Automatic watering system
- Perfect lighting for growth
- Fits in the smallest of spaces
- Dishwasher-safe
- High quality, organic, non-GMO seeds backed by the Safe Seed Pledge.
- Patented seed mats eliminate the need for soil
- Safe & fun for the entire family
