

PRESS RELEASE

Stertil-Koni Continues Support of NY-based Bailey’s Café with Additional \$5,000 Donation

For Immediate Release

STEVENSVILLE, MD Aug. 4, 2020 – Stertil-Koni, the leader in heavy duty bus lifts and truck lifts, has continued its support of Brooklyn, NY-based Bailey’s Café, a 501(c) (3) non-profit organization, with an additional \$5,000 donation.

The funds are targeted to support a collaborative, creative and enriching summer program that engages young people – and the surrounding community – to focus on positive intergenerational interaction involving important touchstones that include service, arts education and inclusion.

Visiting BLM Mural at Restoration Plaza, Brooklyn, NY

As Bailey’s Café founder and director, Stefanie Siegel, notes: "We deeply appreciate Stertil-Koni’s willingness to support a small, grassroots organization in Bedford-Stuyvesant Brooklyn for so many years, especially in these difficult times. We are honored to have you as part of the Bailey’s family."

In making today's announcement, Dr. Jean DellAmore, President of Stertil-Koni, stated, "Stertil-Koni is very proud to partner with Bailey's Café in its mission to develop artistic talent and foster community inclusiveness through the arts. Its mission to provide a place of healing and belonging, and welcome all with an open heart, acceptance and community, is inspiring. Bailey’s helps us all strive to build a better world."

About Bailey's Café

Bailey's Café is a Brooklyn-based, 501(c) (3) charitable organization dedicated to providing creative and collaborative environments to communities across New York City. The organization creates these types of environments through partnerships with local leaders and inter-generational volunteers, all focused on community-building through service and the arts.

About Stertil-Koni

Stertil-Koni is the market leader in heavy duty vehicle lifts, notably bus lifts and truck lifts, and proudly serves municipalities, state agencies, school bus fleets, major corporations, the U.S. Military and more. Stertil-Koni's breadth of products meets all ranges of lifting needs and includes [portable lifts](#) such as [Mobile Column Lifts](#), 2-post, 4-post, [inground piston lifts](#), [platform lifts](#), and its axle-engaging, inground, scissor lift configuration, ECOLIFT. The company's innovative, inground telescopic piston DIAMONDLIFT is available with an optional Continuous Recess System, ideal for low clearance vehicles. Stertil-Koni USA is headquartered in Stevensville, Maryland with production facilities in Europe, The Netherlands, and in Streator, IL.
