

## PrestigePEO Partners with ExpensePath to Offer Integrated Expense Reporting and Payroll

**Long Island, New York, August 6, 2020** – PrestigePEO, a leading professional employer organization (PEO) that partners with small and mid-sized businesses throughout the United States to deliver full-service HR solutions, is excited to announce a new partnership with ExpensePath, enabling clients to offer a fully digital expense reporting and payroll experience to their employees – from request to reimbursement.

ExpensePath seamlessly integrates expense reporting and payroll, reducing administrative workloads and simplifying operations for your employees. With ExpensePath, employees simply enter their spending details online and submit for approval. Managers and finance departments can then quickly review and approve, and with just one click, export data to initiate reimbursement via payroll. The system is custom configured to meet the needs of each unique business.

ExpensePath goes beyond payroll to enable valuable process improvements. Features like automated violation tracking and customized trends and spend data reports can help SMBs gain control of costs and implement smarter spending policies. It also brings efficiency to time tracking, employee benefits, and other HR functions.

Employees at SMBs often spend so much of their time on burdensome, repetitive tasks that can easily be automated with the right technology platforms. The powerful combination of ExpensePath and PrestigePEO increases efficiency through each step of expense reporting and payroll processing, freeing up employee time and empowering them to focus on goals that truly drive business growth.

PrestigePEO is dedicated to continuously improving critical HR functions like payroll, employee benefits, legal compliance, and more for our clients. Contact PrestigePEO today to learn more about ExpensePath and all of our service offerings.
