FOR IMMEDIATE RELEASE

Dr. Shep Russell joins Charleston ENT & Allergy in Beaufort County

BEAUFORT COUNTY, SC – Dr. James “Shep” Russell joins the largest ENT practice in the state of South Carolina, Charleston ENT & Allergy. Dr. Russell will be joining Drs. Kenneth Brown, Don Christian, David Maurer, and Julien Norton in serving the Beaufort County market. “We are pleased to welcome Dr. Russell to our team. Over the last several years he has immersed himself in participating in professional societies, earned awards and honors, and has attended multiple meetings and conferences hosted by our respected academies and societies. We are excited for the enthusiasm and professionalism he will add to our practice,” Dr. David Maurer, MD, speaking on behalf of the Beaufort County physicians.

Dr. Russell received his undergraduate degree from Washington & Lee University with a B.S. in Accounting. He worked in finance for two years before deciding that his true calling was medicine. He went on to earn his M.D. from the University of Arkansas for Medical Sciences where he also completed his internship and residency.

Charleston ENT & Allergy utilizes advanced technology to provide patient-friendly care for all ages. The practice is equipped to diagnose and treat the full range of ear, nose, throat and head and neck conditions.

With a team of board-certified specialists, including allergists, immunologists, plastic surgeons and ENT doctors, Charleston ENT & Allergy provides the comprehensive care needed to get patients feeling like themselves again. If this requires surgery, state-of-the-art surgical suites and comforting post-op rooms ensure patients are on their way to recovery, not the hospital.

###

Since seeing its first patients in 1997, [Charleston ENT & Allergy](http://www.CharlestonENT.com) has been devoted to making high-quality care both affordable and accessible. Since then, Charleston ENT & Allergy has grown to South Carolina’s largest private ENT practice, with 12 locations across the Lowcountry, 22-board-certified physicians, 8 mid-level providers, and 14 audiologists. Its fully-accredited, state-of-the-art Surgery Center, with pediatric

anesthesiologists to care for even the littlest patients, ensures those undergoing surgery are on their way to recovery quickly. An in-house compounding pharmacy makes medication pick-up convenient, allowing patients to spend more time getting better, and less time driving around town. That's better care in every sense.
