**With On Q Financial, over 50,000 families have moved into their dream home, and On Q plans on making even more dreams come true.**

**FOR IMMEDIATE RELEASE** (Tempe, Ariz.) – It’s never too early to start thinking about buying a home. That’s why On Q Financial has published 15 articles and unique tools that guide borrowers in every aspect of the mortgage process. From [defining a mortgage](#) to [explaining refinance](#), On Q lives by its slogan, Mortgages Simplified™. Simplicity is essential for those new borrowers who feel like the mortgage process is difficult or too complicated.

“We want to change the way people see homeownership. A house is one of the biggest investments you can make in your life, and it’s a lot simpler than you might think,” says John Bergman, CEO of On Q Financial. “That’s why we’re committed to being completely transparent and educating our customers.”

On Q Financial is offering a [complete home buying course](#), absolutely free, through its website. This course aims to eliminate barriers to homeownership because every family deserves safety, security, and prosperity. The Dream of Homeownership is closer than many might think.

Too many homebuyers have misconceptions about home buying or how the mortgage process works. On Q Financial is actively working to educate homebuyers and dispel those misconceptions by making the process simpler and providing a bevy of useful resources.

On Q Financial believes the Dream of Homeownership is Inclusive™.
