Pleasanton, Calif. (September 10, 2020) — [Cornerstone Staffing Solutions](#), a staffing firm with branches across the U.S., announced the company is one of 138 staffing firms recently named to *Forbes'* inaugural list America's Best Temporary Staffing Firms 2020. This prestigious award is presented by *Forbes* and [Statista](#) Inc., the world-leading statistics portal and industry ranking provider. The awards list was announced on July 14, 2020, and can currently be viewed on the Forbes website, [here](#).

To determine the list, Statista surveyed 26,000 recruiters and 5,400 job candidates and human resources managers who have worked with temporary staffing firms. Respondents were asked to nominate up to 10 temporary staffing firms with which they had experience working; self-nominations were not considered. Some 6,400 nominations were collected, and Statista identified those firms with the highest number of recommendations and organized them into star ratings: five stars for the first half of awarded companies and four stars for the second half.

"With more than 20,000 staffing agencies in the United States, I am very proud of my extremely talented and professional team for receiving this award," commented Steve Drexel, president and CEO of the Cornerstone Staffing Solutions family of companies. "We have been diligent in creating a strong service culture of performance, integrity and value. This award is validation that our clients and candidates recognize and appreciate our service excellence."
