JULIA L. VAN SAUN JOINS NORDBY COMPANIES AS CONTROLLER

(Santa Rosa, Calif.) September 25, 2020 - The Nordby Companies, one of the North Bay leaders in commercial construction, signature homes, and wine cave building, is pleased to announce that Julia L. Van Saun has joined the team as Controller. Julia brings the highest caliber of accounting experience to this new key role where she will help Nordby continue to expand its position as an industry leader. "We are excited that we were able to find a person of Julia's caliber in the market. We're looking forward to her expanding her role and helping Nordby Companies continue to be an industry leader in the North Bay.", said Craig Nordby, CEO, Nordby Companies. Julia will work closely with all day-to-day operations to efficiently coordinate company finances and further strengthen Nordby's reputation for fiscal responsibility.

Julia brings over 10 years of accounting experience to the Nordby Companies, with her most recent work focusing on construction, real estate, and hospitality clients. At Nordby, she will direct and manage all financials in order to maximize client investment in construction of their properties. In taking on this role Julia says, "I'm excited to join a company with an outstanding reputation that is well known for quality in the construction industry. I look forward to working with the team to contribute to Nordby's continued growth."

Before joining the Nordby Companies, Julia focused her career on public accounting. She served as Audit Manager at WithumSmith+Brown, followed by her tenure as Assurance Manager at Moss Adams for the past four years.

Founded in 1979, The Nordby Companies brings to every project over four decades of experience in commercial construction throughout Northern California. Through our three divisions — Nordby Construction, Nordby Signature Homes and Nordby Wine Caves — we provide an unparalleled range of expertise across a complementary spectrum of project types, paired with a deep understanding of the wine country and surrounding regions. Led by an executive team with deep skill sets in each of their respective areas, our three divisions provide best-in-class construction services. A trusted advisor to clients throughout the wine country, we provide comprehensive preconstruction and general contracting services, using our deep experience and network of subcontractors to successfully guide the construction process for our valued clients.
