## Chroma Technology Names Dan Johnson CFO

Bellows Falls, VT — Chroma Technology, a market leader in the precision optics industry, today announced the appointment of Dan Johnson as the company's new Chief Financial Officer (CFO). In addition, Johnson will serve as a financial and strategic advisor to the Chief Executive Officer and broader leadership team at Chroma and its subsidiaries, including 89 North, an illumination systems manufacturer in Williston, Vermont.

"We're very pleased to have Dan join the leadership team," says Chroma CEO Newell Lessell. "His broad background in finance and manufacturing is a perfect fit for Chroma as we continue our rapid growth."

Johnson brings more than 20 years of experience in financial management in a variety of industries. He has a master's degree in business administration from the University of Chicago Booth School of Business and a CPA certificate. Prior to joining Chroma, Johnson was Vice President and Controller at Precitech in Keene, New Hampshire, and before that he was Vice President of Finance Operations at C&S Wholesale Grocers, also in Keene.

"It's an exciting time to join Chroma," says Johnson. "Chroma is expanding rapidly, has a great reputation, and was recently named one of the best places to work in Vermont."

### About Chroma Technology Corp.

Founded in 1991 as a 100% employee-owned company and now a B Corporation, Chroma Technology is a leading manufacturer and OEM supplier of highly precise optical filters using thin-film coating technology. With a reputation built on dedicated customer service, including free technical and applications support, Chroma is committed to serving the scientific and technical communities in their pursuit of the scientific endeavor.
