FILM FESTIVAL FLIX ANNOUNCES PARTNERSHIP WITH REEL RECOVERY FILM FESTIVAL TO LAUNCH NEW ONLINE STREAMING CHANNEL

The Reel Recovery Film Festival will be presented virtually on Film Festival Flix's digital streaming platform from November 6th – 12th 2020.

LOS ANGELES, CA, November 4, 2020 – Film Festival Flix has launched a new streaming channel for the 2020 Reel Recovery Film Festival. Film Festival Flix's online digital platform will virtually present all official selections from November 6th – 12th 2020 for free. The Reel Recovery Film Festival was founded to increase awareness of and reduce the stigma associated with alcoholism, addiction, and mental illness, through the use of film. Festival Patrons can register for free and receive an All-Access Pass to the festival content for the duration of the festival. Festival Patrons and Ticket holders will be able to safely watch movies and engage with the unique Festival entertainment content from the comfort of their own homes through FilmFestivalFlix.com or the Film Festival Flix TV and mobile apps.

“I'm very excited to be working with Reel Recovery's incredible team, headed by Leonard Lee Buschel shares Film Festival Flix CEO, Benjamin Oberman. We're proud to be powering this respected film festival to audiences nationwide in hopes of opening dialogue that can lead to the greater acceptance of drug and alcohol addiction, and the people it affects.”

Reel Recovery Film Festival patrons and ticket holders will be able to view feature films with themes like vulnerability, battling within, willingness, and much more. By registering for a free All-Access Pass, you will have unlimited anytime access to view feature films showcased by filmmakers who made honest films about addiction, alcoholism, behavioral disorders, treatment and recovery. To watch, audiences simply have to log in, select their program of their choice, and click “watch” to begin their viewing experience.
