

FOR IMMEDIATE RELEASE

Mckinney Trailer Rentals Launches New Website

Brea, CA – November 17, 2020 –Mckinney Trailer Rentals, one of the fastest growing family owned providers of over-the-road trailer rentals and leases, announces the release of their new website, MckinneyTrailers.com, designed with a fresh, innovative look and improved overall customer experience.

Designed by SyncShow, a full-service digital marketing agency, the website was created with the user experience in mind and includes many features helping users to navigate the site easily and quickly while providing a more comprehensive source of company information and services. Some new features of the website include:

- [MyMckinney Customer Portal](#) providing access to equipment information, maintenance records, inspections, registrations, and trailer tracking information
- [Detailed Equipment Pages](#) containing pictures and specifications of all equipment types
- [Online Blog](#) containing latest industry news, press releases, and technical tips
- [Rapid Response Functionality](#) allowing compatibility with all browsers and mobile devices
- [Fully Digital Contracting and Inspection Process](#) to save time, money, and the environment

“Mckinney Trailer Rentals has been in business for over 30 years and prides itself on our loyal client base and exceptional customer experience. All services are delivered with attention to detail and a truly customized experience, while adapting to the latest technology,” said Lori Kincannon, Mckinney Trailer Rentals Vice President of Marketing. “The new Mckinney website is another way to provide our customers with easy access to the latest equipment and most innovative services in the industry.”

About Mckinney Trailer Rentals:

Mckinney Trailer Rentals, headquartered in Brea, California, is a leading provider of equipment rentals and leases in the Western United States and Texas. Mckinney has been supplying customers with quality equipment for over 30 years. With 15 branch locations in Utah, Washington, Oregon, Colorado, California, Arizona, and Texas, the company offers an extensive fleet of dry vans, refrigerated trailers, flatbeds, curtain vans, chassis, and storage trailers.
