The Austin American-Statesman Names RoadVantage a Winner of the 2020 Austin Top Workplaces Award

AUSTIN, Texas – November 24, 2020 – RoadVantage has been awarded a Top Workplaces 2020 honor by The Austin American-Statesman. The list is based solely on employee feedback gathered through a third-party survey. The anonymous survey measures 15 individual drivers of engaged cultures that are critical to any organization's success: including alignment, execution, and connection, just to name a few.

“We’re really pleased to win this award,” said Randy Ross, RoadVantage President of Sales. “In challenging times, it is more important than ever to maintain a strong connection between employers and employees. We have consciously sought to hire the very best talent at every level of the company and in every department. The Top Workplaces program accolade confirms our efforts to create a dynamic working environment that is good for both the company and our people. We feel honored to be recognized by our staff.”

“We are extremely proud of the service-minded culture we’ve built here at RoadVantage,” said Garret Lacour, RoadVantage CEO. “This award is a gratifying acknowledgment of the positive way our employees feel about our company. The result is a team of top-shelf industry professionals, working together, to meet and exceed the highest expectations of our Agent Partners, their Dealers, and customers every day.”
