

Oncology Bridge Fund

Dealing with a cancer diagnosis is never easy

Cancer takes a significant emotional and physical toll on patients *and* their loved ones. It can cause unanticipated financial burdens as well. This problem increases if the patient is unable to work or must work reduced hours while undergoing treatment.

The Oncology Bridge Fund help those struggling to make ends meet with gas cards, groceries, pharmacy vouchers, and other types of emergency assistance. Patients will work directly with WellSpan's local oncology social workers and navigators to identify needs and barriers to care.

One hundred percent of your donation will be used to help cancer patients in our local area. Please give generously *today*.

Please help someone facing difficult circumstances. Your gift *matters*.
