Mixed Roots Foundation Teams Up with SnackMagic to Create Holiday Magic for Adoptive and Foster Families Across the Country in Times of Need

SnackMagic donates 55 custom healthy snack boxes to celebrate the Holidays and Bring Hope

Los Angeles, CA and New York, NY (Wednesday, December 9, 2020) – As Mixed Roots Foundation was preparing to celebrate its 9 Year Anniversary with its signature MLB Adoptee Night events this past March that takes place in May which is Mixed Roots Foundation's Anniversary and National Foster Care Month every year, the global Coronavirus (COVID-19) Pandemic hit and Mixed Roots Foundation had to pivot quickly... The same went for the newly established woman and minority owned SnackMagic whose parent company Stadium made the pivot from delivering box lunches to businesses to delivering snack boxes to home within just a few months at the start of the pandemic and now is considered the fastest growing and first in its market to provide 100% customized snack boxes that can be created and delivered anytime and anywhere in the world.

With dire needs of the community including people losing jobs, housing, the mandated with stay-at-home orders and increase of the epidemic of food insecurity, the new partnership between Mixed Roots Foundation and SnackMagic has allowed SnackMagic to immediately step up to the plate by donating custom snack boxes that will be delivered in time for the Holidays to Mixed Roots Foundation's valued community partners located across its four team cities of San Francisco, Minneapolis, New York and Los Angeles including City and County of San Francisco Human Services Agency (SF HSA), Friends for Youth, MN Adopt, Connections to Independence, New York Council on Adoptable Children (NY COAC), Spence-Chapin Services to Families and Children, First Star, and the Los Angeles County Department of Children and Family Services (LADCFS) serving as the largest child well-being agency in the United States, ensuring the safety of more than two million children countywide.

"Our department provides services to some 37,000 children and youth, half of whom are in foster care," DCFS Chief Deputy Director Ginger Pryor said. "We are thrilled to receive the support of Mixed Roots Foundation and SnackMagic during this difficult time. We are grateful to both organizations for providing hope to our foster youth with memorable and tangible experiences that include receiving these custom snack boxes. With the ongoing pandemic, everyone is sheltering at home again and schools remain closed. Mixed Roots Foundation and SnackMagic are not only generous, they are also socially responsible organizations that continue to invest in our youth and bring attention to the critical needs of children in foster care."

"We are so excited and honored to team up with **Mixed Roots Foundation** to provide **hope and happiness** for families during the Holidays especially during these times of uncertainty. We look forward to establishing this long-term partnership and grow with Mixed Roots Foundation with **delivering healthy snack boxes** to those in need and **continue to making a difference in the community**," said **Shaunak Amin, Co-Founder and CEO of SnackMagic**.

In addition to SnackMagic donating its SnackMagic custom snack boxes for the Holidays, SnackMagic will also donate with every purchase of a snack box when the Promo Code: mixedroots is entered upon check out and SnackMagic will donate \$5 back to Mixed Roots Foundation. Mixed Roots Foundation and SnackMagic will also be teaming up to create a Custom Mixed Roots Snack Box that is currently in development where it will be launched in early 2021 that will be cross promoted and sold to not only celebrate the 10 Year Anniversary of Mixed Roots Foundation, but will further assist in raising funds and supporting Mixed Roots Foundation's vision and mission of continuing to serve the needs of the adoption, foster care community and their families.
