**Miva, Inc. Launches New MivaLearn Course For Ecommerce Site Developers**

*New MivaLearn Developer Course Covers the Miva Platform's New Features and Tools*

**San Diego, CA – January 14, 2021** – Miva, Inc., ecommerce software and service provider for mid-size and enterprise merchants for 22 years, announced today that a new developer course has been added to MivaLearn, the Miva ecommerce platform's online education portal and certification program. This new course focuses on the new developer tools included in Miva 10, the latest release of the Miva ecommerce platform.

Miva 10 introduced several key benefits for developers, including enhanced developer environments, QA, deployment, and workflows. Developers can enroll in MivaLearn and complete this course to become familiar with the tools Miva 10 offers to support efficient, collaborative ecommerce site development.

MivaLearn's online education portal is free for developers and is designed to help them deepen their knowledge and demonstrate competence with the Miva ecommerce platform.

"We are excited to announce this addition to MivaLearn's online course library," says Brennan Heyde, VP of Product at Miva. "This new course covers the most useful and powerful developer tools included in Miva 10 and is a must-watch for anyone building on the Miva platform."
