

EVERYTHING YOU NEED TO Run Your Own Events.

Captello's Run Your Own Event solution enables businesses to customize registration forms, print badges, manage data on event attendees, and more!

Captello puts the power of configuration in your hands.

Avoid Fees from other providers.

Take Ownership of your own event experience.

Exhibitor Lead Retrieval:

Give exhibitors access to Captello™ to collect leads on their mobile devices using QR code scanning, business card transcription, registration pre-fill, or manual form fill. There's no limit on users per exhibitor.

Customizable Badges:

Create custom badges with images or logos, contact information, and QR codes.

Customizable On-site Check-in / Registration:

Use a slick check-in and registration system builder to customize attendee experience. Place sponsors on your check-in portal to increase event revenue.

EVENT MANAGEMENT PORTAL

Access, track, and export exhibitor leads using a web-based lead portal.

REGISTRATION LIST MONETIZATION:

Upsell exhibitors by offering them access to registered attendees. Provide attendee information ahead of time via a spreadsheet and/or make them accessible on Captello™ for quick pre-fill.

BUILT-IN EVENT CRM:

Keep track of companies, people, and opportunities surrounding each event. Build unique pipelines to manage event sales such as exhibitor lead capture licenses, exhibitor space, and more.

REGISTRATION & PAYMENT SYSTEM:

Build custom registration forms and collect payment for exhibitors or attendees. Our payment system integrates with over 40 different payment gateways including Stripe, PayPal, and many more.

ATTENDEE & LEAD CAPTURE REPORTS:

Keep track of who registers for your event, and who actually shows up. Track additional leads captured and review critical event data in an Event Dashboard.
