## **Stertil-Koni Portable Air-Over-Hydraulic Jack Grabs # 3 Slot in Top 10 List for “Great Products” by TPS Magazine**

***For Immediate Release***

**STEVENSVILLE, MD, February 11, 2021** – Heavy duty vehicle lift leader Stertil-Koni today announced that its portable air over hydraulic jack – ideal for servicing vehicles in the maintenance bay or on the road – has been named to the Number 3 slot on the Top Ten “Great Products” listing by TPS (Trucking, Parts, Service) magazine.

Weighing in at only 60 lbs., this lightweight, two-stage workhorse – Model SKB25-2 – has a lifting capacity of first stage, 25 metric tons, with a final stage of 10 metric tons. That makes it equally at home on the shop floor and on the road. The ultra-portable design incorporates a 21.6” handle that folds for easy transport – making it ideal for mobile service applications.

Noted Stertil-Koni Shop Equipment Specialist, Radu Pop, “Technicians who need to raise a vehicle can now enjoy total freedom, comfort and safety virtually anywhere the job takes them with our portable jack. It’s a true game-changer.”

The ultra-portable unit incorporates an optional wall mounting bracket to secure it out of the way in a service truck or on the workshop wall. Additional features include:

- Top quality, long-lasting, durable chromium-plated piston
- Maximum height without extensions 12.5”
- Low 6.3” collapsed height

- Easy-to-use controls with “dead-man” safety switch
- Built-in overload valve for added safety
- 2” and 4” extensions included.

Concluded Stertil-Koni President, Dr. Jean DellAmore, “We are proud to offer the very best in vehicle lifting systems – whether the technician is on the shop floor or out on the road on a service call. That is precisely why we remain focused on engineering lifting systems that are reliable, durable and safe – every time. The Model SKB25-2 portable jack is a prime example of how Stertil-Koni delivers the very best in heavy duty lifting systems – and shop equipment – that enable our customers to perform the most demanding tasks.”

The Top Ten products on *Trucks, Parts, Service*, is according to the publication, based on reader engagement. TPS is published by Randall-Reilly.
