**Miva, Inc. Named One of San Diego’s Best and Brightest Places to Work For in
2021**

The company has been recognized as a top San Diego workplace for four consecutive years.

San Diego, CA – February 22, 2021 – Miva, Inc., ecommerce software and service provider for mid-size and enterprise merchants for 22 years, was recently named one of San Diego’s Best and Brightest Places to Work For in 2021. This is Miva’s fourth consecutive year winning this distinction and the company is one of only 26 San Diego businesses to be recognized for this elite achievement.

The Best and Brightest program honors local businesses that demonstrate excellence in their human resource practices and employee enrichment. Companies are evaluated on several categories including communication, work-life balance, diversity, employee education, recognition, and retention.

“This has been a transformative year for Miva, as we’ve shifted our company to an entirely remote workplace,” says Jen Hardman, Miva’s VP of Human Resources. “We take great pride in the engaging and inclusive work environment we’ve been able to create during these unprecedented times. We’re incredibly honored to receive recognition as a top place to work in San Diego and we’re always committed to the well-being and success of our employees.”
