## Popular Influencer Brooklyn Van Zandt Releases Uplifting Single 'Perfectly Imperfect'

*Freshman Phenom Sends Inspiring Message to the World; "You're Perfect Just the Way You Are."*

**March 12, 2021 (Fort Worth, Texas)** - Today, independent singer-songwriter Brooklyn Van Zandt releases her new single, "Perfectly Imperfect," written and composed by Brooklyn. As a high-school student, three-sport varsity athlete, professional model/actor, and social media influencer with millions of fans, Brooklyn knows all too well about the pressures that young people face. She explained that, while her other songs are written about her own experiences, "Perfectly Imperfect" is a strong, direct message to her fans; "You're perfect just the way you are. If you're different embrace it. If you've got a problem face it. If you've got a big dream, then chase it."

Laying outside and relaxing with her guitar after live-streaming, Brooklyn was reflecting on all of the self-deprecating, negative comments that dominated her feed. While comments toward her were generally positive, she just couldn't shake the negativity she observed; "I wish I was pretty," "I wish I was smart," "Nobody likes me." She explained, "I'm so sick of seeing people tear each other apart in my comments section over the things that make us unique." This inspired Brooklyn to send her audience a direct message of empowerment, acceptance, and positivity. With wisdom and confidence beyond her years Brooklyn wrote "Perfectly Imperfect;" quite literally a song for everyone.

"Perfectly Imperfect" is available now on all streaming platforms.
