

CONTEMI SOLUTIONS AWARDED BRONZE MEDAL FOR ITS SUSTAINABILITY EFFORTS

[Contemi Solutions](#), a leading provider of software solutions to financial services companies, has been awarded a bronze medal for its Corporate Social Responsibility from [EcoVadis](#), one of the world's largest and most trusted providers for business sustainability ratings and assessments. This is the first time that Contemi Solutions submitted a report for evaluation and scored highest for its efforts in the ethics area.

The result places Contemi among the top half of all EcoVadis assessed companies globally.

The Company was rated based on a sustainability scorecard which illustrates performance across 21 indicators in its industry in four main categories: environment, labor and human rights, ethics, and sustainable procurement.

"We are honored to receive this esteemed recognition from EcoVadis," said Alexander Krefft, Contemi Group CEO. "At Contemi, we remain committed to incorporate sustainability and ethical practices into all that we do. Our score with EcoVadis confirms the relevance of our strategies and values. Going ahead, we intend to work more closely on our sustainability initiatives."

Why did Contemi participate in this assessment?

Corporate Social Responsibility is high on the agenda both for Contemi's owners and for many of Contemi's clients. As an important business partner for these clients, Contemi felt that it was highly relevant to do an assessment of the Company's sustainability effort. After having investigate about EcoVadis program, Contemi decided to participate in the assessment to evaluate its efforts, progress in terms of sustainability, and know more about the areas for improvement.

Kean Williams, Executive Director for Global Operations at Contemi commented, *"Since 91% of companies take sustainability criteria into account in purchasing decisions*, we know that this is not only important for the environment and our employees, but it is also*

of great importance for our business performance. We are delighted that the Bronze rating from EcoVadis is an evidence of Contemi's commitment to sustainability. It further demonstrates to our current and potential customers that Contemi is a trustworthy partner and takes responsibility for the impacts that its business creates."
