**REALTRENDS 500 REPORT RANKS PROFESSIONAL REALTY SERVICES INTERNATIONAL AS ONE OF THE NATION'S LARGEST REAL ESTATE FIRMS**

Castle Rock, Colorado — April 1, 2021

On March 25, 2021, RealTrends released its 2021 RealTrends 500, an independently verified compilation of the nation's leading residential real estate companies.

According to the 2021 Real Trends 500 Report, the top 500 residential real estate brokerage firms in America closed transactions valued at over \$1.6 Trillion in 2020.

While the top 500 brokerage firms represent less than one-half of 1 percent (0.5%) of all the brokerage firms in America (out of over 150,000 firms) , their production represented over 1/3 of all new construction and resale transactions closed by brokers last year.

Professional Realty Services International, headquartered in Spokane, WA, was ranked as the 39th highest producing brokerage in the RealTrends 500 with 7,025 residential transaction sides closed in 2020. The company is one of only three independent Washington real estate brokerages to close over \$3 Billion in sales last year.
