Brenntag wins two Comparably awards

Brenntag North America, Inc., part of Brenntag SE, the global market leader in chemicals and ingredients distribution, has won two Comparably awards for Best Company Outlook and Best Sales Team.

In 2020, Brenntag SE initiated “Project Brenntag”, the company’s transformation program which has eventually led to the implementation of the new operating model in January 2021. These two Comparably awards are another confirmation that Brenntag’s employees are benefiting from the company’s repositioning.

Brenntag North America was ranked in the top 50 for large companies, along with other globally known brands, for Best Company Outlook and Best Sales Team in 2021.

The awards for Best Company Outlook were based on anonymous employee ratings determined through a numerical value given to the following questions:

- “How confident are you about the future success of your company?”
- “Are you typically excited about going to work each day?”
- “How likely are you to recommend working at your company to a friend?”

“We are proud to be recognized as one of the Best Outlook companies in 2021. This is a direct reflection of the engagement and enthusiasm our employees have on the future of our company,” said Donovan Mattole, Vice President Human Resources Brenntag Americas. “We are committed to creating a best place to work for all, and knowing that our employees have anonymously and independently agreed to this speaks volumes to future development and growth opportunities within our organization during our transformation period.”

The winners of the Best Sales Team award were determined based on employee feedback to a combination of workplace culture questions in categories including compensation, leadership, and co-workers to professional development opportunities, work-life balance, and perks and benefits.
