

Paw CBD Launches “A Round of Appaws” Shelter and Rescue Donation Program

Paw CBD is helping pets in need by donating CBD products to animal shelters and rescues in the USA

CHARLOTTE, N.C. -- (BUSINESS WIRE) -- Paw CBD, a division of cbdMD, Inc. (NYSE American: YCBD, YCBDpA) one of the leading, and most highly trusted and recognized cannabidiol (CBD) brands, proudly announces its brand-new partnership program dedicated to giving back to rescues and shelters committed to saving animals by bringing pets and people together.

Paw CBD will partner with a different shelter or rescue every month to feature their mission and “applaud” their work and endeavors in saving animals in need. Each partner will have their organization highlighted on the [Round of Appaws](#) partnership page, along with additional ways the pet-loving community can show support, such as direct donations, wish lists, and other gifts. A Round of Appaws kicks off its first month with Kitten Rescue LA, a nonprofit organization dedicated to rescuing and adopting homeless cats across the Los Angeles area. Kitten Rescue was nominated by Paw CBD's longtime friend and partner, [Nala Cat](#).

The “A Round of Appaws” partnership with Paw CBD grants a nominated rescue or shelter their choice of a Paw CBD product to receive as a donation. Both Paw CBD and the recognized organization will spotlight the partnership during the month they are selected, and Paw CBD will match and donate the selected product based on qualifying purchases through [pawcbd.com](#) to the shelter.

“This is all about helping pets and the pet-loving community. We know how difficult sheltering can be on both the organization and the pets they take care of,” said Ashley Stafford, Associate Brand Manager of Paw CBD. “We’re proud to give back to organizations that do so much good for animal health and welfare. We want our brand to be synonymous with giving back and providing real solutions for pets, owners, and rescuers, and that’s why this is the perfect partnership to highlight their ongoing efforts.”

Rescues and shelters can be nominated as “Round of Appaws” recipients through a simple submission form on the website. Paw CBD will also raise awareness by featuring nominated rescues and shelters in its email newsletters and social media platforms to educate the pet-loving communities about the shelter’s work and how they can get involved.
