

PRODUCT INFOSHEET

Akkadian Provisioning Manager™

Automation Engine for UC Provisioning

Manual provisioning across multiple UC applications, servers, and clusters is time-consuming and subject to errors or inconsistencies, requiring rework. Our easy-to-use, turnkey solution streamlines UC administration by automating moves, adds, changes and deletes. Get simple, fast and secure provisioning of users with multiple devices for all your UC applications from a single pane of glass.

FEATURE	BENEFIT
Unified workflows across multiple UC applications, servers, and clusters	<ul style="list-style-type: none"> Automation and digital transformation Simplified MACDs and streamlined administration

- Webex Control Hub (Webex Meetings/Teams)
- Jabber
- Unified Contact Center Express 10.x-12.x
- Packaged Contact Center Enterprise 10.5-12.x
- Microsoft 365
- Microsoft Teams

USE CASES

- Streamline MACDs
- Phone upgrades and migrations
- Contact center provisioning
- Delegate tasks to your operations team
- New dial plan roll-out

Key Features

Automation

Eliminate manual tasks from UC provisioning, reporting, compliance, and management.

Zero-touch Provisioning

Native integration with Microsoft Active Directory and ServiceNow.

Self-service Portal, Self-provisioning

Let employees provision themselves and manage their own lines, intercoms, and speed dials.

Directory Number Management

Real-time directory number management with cross-cluster support.

API Triggers

Automatically update systems outside of your UC.

Remote Phone Control

Access Cisco IP phones to test, place calls, and change settings.

Roles-based Access

Decide who has access to which jobs and tools. Custom dashboards.

Visual Phone Editor

You can even let end users do it themselves via the self-service portal.

Phone Swap

Upgrade old phone models to new phone models with a mobile app.

Dial Plans

Query reporting allows you to easily adopt dial plans, like E164.

High Availability

Automated roll-over to maximize uptime.

And More...

- RESTful API
- Contact Center Provisioning
- Reporting
- Bulk Provisioning
- Multi-Cluster Support
