HIGHLIGHTS

NEW OPEL DESIGN PHILOSOPHY

With a fresh design featuring prominent bonnet flares, shorter overhangs, sporty skid plates and a desirable floating roof with red openings, the new Opel Crossland is a modern and attractive crossover with SUV style presence and appearance. The new Opel vizor further adds to the bold and distinctive design, commanding attention from all around.

LED HEADLAMPS & DAYTIME RUNNING LIGHTS

Be in complete command of the road and drive safer. The Opel Crossland's full LED headlights massively improves visibility and driving safety in all conditions. Daytime running headlights further add to the Crossland's bold and muscular appearance. All the better to see and be seen.

PREMIUM INTERIOR QUALITY

Premium design with German precision. Furnished with full leather seats and steering wheel, intuitive handling and the 'typical SUV' raised seating position for your perfect panoramic view, the interior design of the Crossland carefully blends sculptural dynamic shapes and quality materials with an absolute focus on precise execution and craftsmanship.

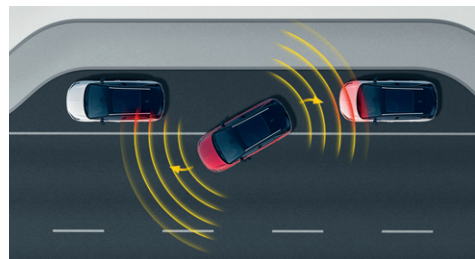

INTELLILINK® INFOTAINMENT

Looking to be the most connected car on the road? With Opel's award winning, top-of-the-line IntelliLink® multimedia system with Apple CarPlay™ and Android Auto, enjoy seamless connectivity with your smartphone or tablet all the time.

ENGINE & TRANSMISSION

Just as Crossland's new look breaks the convention that SUVs can't be beautifully stylish, Opel's high-efficiency engine are redefining how dynamically an SUV can handle. The 1.2 Direct Injection Turbo petrol 96 kW (130 hp) engine with 6 speed automatic transmission provides exhilarating performance and unparalleled confident control at every turn.

ADVANCED PARK ASSIST & SAFETY FEATURES

The advance park assist function finds spaces that fit and provides active assistance in parking lots. The system controls the steering wheel and the driver need only adjust the brakes, accelerator and gear changes. Additionally with safety features such as Side Blind Spot Detection, Traffic Sign Recognition, Lane Departure Warning, Forward Collision Alert and so much more, the Opel Crossland provides drivers with great reassurance, security and comfort.
