***Rental* Magazine Reveals 2021 Editor's Choice Award Winners**

Fort Atkinson, WI (August 6, 2021) – *Rental*, the nationally recognized magazine serving rental equipment professionals, announced the top 30 construction products of 2021 that have made the biggest impact on the industry over the past year.

The impressive list of **2021 *Rental* Editor's Choice Award** winners earned their place by attracting the attention of our team of editors, readers, end-users and rental industry professionals. Winners were chosen by *Rental's* editorial team based on several different factors, including innovation, utility for the rental market, as well as audience engagement (most clicks, page views, inquiries) on ForConstructionPros.com/Rental.

"We're so excited to announce the winners of the 2021 Editor's Choice Awards. The rental industry is getting back on track after a tough 2020, and this year's winning products represent a significant step forward in that progress, showcasing top-notch innovation, reliability and quality from some of the industry's leading manufacturers," says Rental Editor Alexis Sheprak. "These products not only exhibit cutting-edge features but also offer innovative solutions to some of today's most common problems, garnering interest from rental professionals on ForConstructionPros.com."

Rental, produced by AC Business Media, congratulates the following companies and products identified as **2021 Editor's Choice Award** winners. Additional information on the winning products can be found in the August/September issue of *Rental* and online at ForConstructionPros.com/Rental.
