

ASTRAPOUCH® 64 OZ BEER GROWLERS

BUILT FOR BARS, BREWERIES, BREW PUBS, AND MORE

AstraPouch®'s flexible Beer Growler and Beer To-Go Pouch are the glass growler alternatives that fill faster, store smarter, and cost up to 85% less.

Using advanced flexible packaging technology and featuring a revolutionary carbonation-venting screw cap, the 64oz Beer To-Go Pouch and Beer Growler keep beverages fresh and prevent over-carbonation.

Perfect for Breweries, Brew-Pubs, Restaurants & More

The innovative beer growler pouches are a win-win-win, with benefits for the brewery, the beer drinker, and the environment.

The Superior Alternative to Glass

For years glass has been the go-to delivery vehicle for beer and other carbonated beverages. Now, thanks to advances in flexible packaging technology, there are better options.
