### Our Promise:

#### CLEAN AND CLEAR

No dyes, no fillers, no compromises.

Each ingredient was selected for its performance in the body. Everything you need, nothing you don't.

#### ROOTED IN NATURE

Natural flavors, natural carbohydrates.

Simple ingredients, simple choice.

#### BACKED BY SCIENCE

Developed by Doctors and

grounded in research. Sword Performance products were made in the kitchen, tested in the clinic, and proven in (and on) the field.

#### BUILT TO PERFORM

Our purpose-driven hydration is designed

to fight heat stress, dehydration, and fatigue by hydrating you better and faster than water alone.

Clean hydration and fuel play a critical role in maintaining a clear and focused mind and steady energy for our muscles.

Modern medicine and scientific research support our beliefs, and the success of our unique hydration products in all types of settings are the proof.
