Health Plans, Inc. (HPI) Earns URAC Accreditation in Health Utilization Management

The designation demonstrates the highest level of commitment to quality healthcare

Westborough, MA, September 2021 – Health Plans, Inc. (HPI) is proud to announce that it has earned URAC accreditation for Health Utilization Management. URAC is the independent leader in promoting health care quality by setting high standards for clinical practice, consumer protections, performance measurement, operations infrastructure and risk management. By achieving this status, HPI demonstrates commitment to quality care, enhanced processes, patient safety and improved outcomes.

HPI is a forward-thinking, national third-party administrator of self-funded health plan solutions with over 40 years of experience. Their entrepreneurial spirit, flexible and innovative approach, and commitment to quality, technology, and personalized service enable them to deliver better value to clients and their employees.

“HPI is very excited to have achieved URAC accreditation for our Utilization Management program,” said Dianne Oldach, vice president of care management services. *“It was a collaborative effort by all, and we are proud to display the accreditation seal to signify that our program has been designated as a quality program by URAC.”*

“We applaud HPI on achieving URAC accreditation. With this distinction, HPI demonstrates excellence in quality health care delivery and their commitment to ensuring patient safety,” said URAC President and CEO Shawn Griffin, M.D.

About HPI

HPI redefines what is possible with self-funded health plans. As a leading national third-party administrator, they partner with health plan brokers and employers to provide innovative self-funding strategies and customized plans tailored to each client’s needs and population. HPI’s solutions give employers greater cost transparency and control while elevating the member experience. It is their flexible approach, entrepreneurial spirit and commitment to quality, technology, and service that enable them to deliver premium value to their customers.
