Searls and Dunn after the GSU Mayoral Forum

Searls Stated “ I had been considering uniting with Candidate Dunn prior to the meeting; but hearing her passion to support small businesses in Atlanta I was convinced.”

Dunn expressed “it is an honor to receive the endorsement of Mr. Searls. Throughout this campaign process I have grown a massive amount of respect for several candidates. My Entire focus on this campaign has been to create more UNITY in the city of Atlanta. Our number one problem in Atlanta is we are too divided. Together we are truly better. As I receive the privilege of being the 61st Mayor of Atlanta I look forward to Mr. Searls serving as my Deputy Mayor”.

Together Dunn and Searls has created the #Reclaim Atlanta Plan. A beautifully crafted mix between Dunn’s One Atlanta Plan and Searls Reclaim Atlanta Plan.

“Under my leadership as Mayor All plans from all the leaders that have been running for office will be discussed and merged together then presented to the citizens of Atlanta for their input and feedback. We are truly One Atlanta!! All Candidates feel passionate about the city we love. Atlanta Deserves a leader like me that will influence inclusion and give a platform and space for all the leaders in the city to lead”.
