eCommerce
Stocked & Virtual Inventories

Innovation... *that Delivers!*

RAPID IMPLEMENTATION

Foodservice distributors up and running within 48 hours. Robust distributor admin tool set and proprietary software.

VIRTUAL INVENTORIES

Multiple categories, brands, and products from multiple suppliers/redistributors.

SHOPPING RE-IMAGINED

With a simple "click" order from thousands of products previously never available.

The LogisticaForce Solution!

We are the leading foodservice "eCommerce" platform that integrates suppliers, distributors, and operators by allowing foodservice distributors to manage both their stocked inventory and virtual eCommerce in a single online interface.
