### What is an Ambassador?

Epiq MD Ambassadors are the couriers of change. Bringing forward a new way of thinking; That everyone deserve access to affordable healthcare, and that everyone should have an opportunity to create their legacy. To not only live Epiq, but to BE Epiq! Ambassadors have taken on the responsibility of looking at a broken health care system while DARING to be the ones to offer a solution. Providing their communities with not only hope, but the opportunity of a better tomorrow. Choosing health of wealth, people over profits, and humanity over industry.
