## **Productive Plastics Announces New President Evan Gilham, Hal Gilham Receives SPE Thermoformer of the Year Award**

*Productive Plastics, Inc. announces leadership change as Evan Gilham becomes President. The Society of Plastics Engineers (SPE) Thermoforming Division has named Harold (Hal) Gilham Thermoformer of the Year.*

Mt. Laurel, NJ, December 8, 2021 - Productive Plastics, a leading [heavy gauge plastic thermoforming contract manufacturer](#) located in Mt Laurel NJ, announces a change in leadership as Evan Gilham is named President while Hal Gilham moves from President to CEO. The smooth and incremental transfer of leadership and ownership began in September. The company is rooted in family tradition as Evan becomes the third generation of the Gilham family to lead the company.

Also, Hal Gilham was named Thermoformer of the Year for 2021 by the Society of Plastics Engineers (SPE) Thermoforming Division. The honor was presented at the SPE's Thermoforming Awards Dinner held in Grand Rapids, Michigan in conjunction with the 28th SPE Thermoforming Conference in September 2021.
