## FOR IMMEDIATE RELEASE

# AramSCO, Inc. Acquires Casey Engineered Maintenance

April 4, 2022

AramSCO, Inc. is pleased to announce the acquisition of Casey Engineered Maintenance (“Casey”). Based in Foxboro, Massachusetts, Casey is a leading regional distributor of janitorial supplies and equipment to customers in education, healthcare, hospitality, and other market segments.

“We are thrilled to partner with the team at Casey. Their team has decades of experience providing their customers with best-in-class service focused on supporting their customers’ success. We look forward to working with Kevin McNerney, Craig Smith, Dominic Carusi, and the rest of the Casey team to continue to provide our customers with the high level of service they have come to expect from both our companies in addition to a broader product offering to meet their needs,” said Richard Orr, Regional Vice President at AramSCO.

“The Casey family is excited to join with a company that shares our philosophy of using innovative solutions to solve customers’ biggest challenges. AramSCO’s large product selection, training programs, and geographical reach make them the perfect partner to enable us to expand our best-in-class services,” said Kevin McNerney, President of Casey.

“It is a privilege to welcome the Casey team to the AramSCO family. We appreciate Kevin, Craig, Dominic, and founders Richard Casey and John Wilcox for selecting us as their partner. We look forward to building on their success and continuing to find ways to help our customers win,” added Chris Kim, VP of Business Development at AramSCO.

### **About AramSCO, Inc.**

For over 50 years, AramSCO and its family of companies have been serving the needs of specialty contractors and other customers in diverse commercial markets in the United States, Puerto Rico, and Canada. The AramSCO family of companies, which include CRW Supply, Safety Express, and others, share a common vision of providing exceptional services to customers that enable them to succeed.
