

For Immediate Release

The Besen Group Launched The Largest Private LTE & Private 5G Networks Group on LinkedIn

Washington, D.C., May 16, 2022 (PRWEB) – The Besen Group, an international mobile data industry management consulting practice headquartered in the Washington DC area, with representatives in Paris and Tokyo, launched the largest Private LTE & Private 5G Networks Group on LinkedIn in February 2019 and now has over 4,400 members globally.

“The goal of Private LTE & Private 5G Networks Group is to help enterprises, cable operators, mobile operators, satellite operators to launch private LTE and private 5G networks in licensed spectrum, shared spectrum and unlicensed spectrum,” said Alex Besen, Founder and CEO of The Besen Group LLC. “The Besen Group defines private networks as dedicated networks for consumers, businesses and Internet of Things.”

Private LTE & Private 5G Networks Group members include enterprises, system integrators, mobile network operators, MVNOs, MVNEs, cable operators, satellite operators, mobile vendors, IT vendors, hyperscalers, financial institutions, academia, non-profit organizations, trade associations and government agencies from all around the world.

Private LTE & Private 5G Networks Group posts may include news, blogs, opinions, jobs, polls, consultancy projects, market research, strategies from global telecom and IoT industries.
