FOR IMMEDIATE RELEASE

AramSCO, Inc. Acquires Retailers Supply

May 18, 2022

AramSCO, Inc. is pleased to announce the acquisition of Retailers Supply. Located in New Albany, Indiana, Retailers Supply is a regional distributor of janitorial supplies and equipment to customers in education, industrial, retail, entertainment, and other commercial market segments. The transaction with Retailers Supply is AramSCO's ninth acquisition in the janitorial supplies and equipment industry over the past three years.

"Retailers Supply and AramSCO share a focus on the success of their customers," commented Andrew Liebert, Vice President of Sales at AramSCO. "We are thrilled to welcome Kevin Burke and the Retailers Supply employees, customers, and vendor partners to the AramSCO family. We look forward to continuing to build on their great reputation."

"I am excited about what the transaction brings for our employees, customers, and vendors. We are excited to be part of the AramSCO team and for the opportunity to provide our customers with an even broader product offering," said Kevin Burke, President of Retailers Supply.

"This transaction is another example of our commitment to building the best team in the industry both organically and through acquisition. Our vision is to be the premier, national service provider for the industries we serve. The acquisition of Retailers Supply and their team is another great addition to our janitorial and supply business," added Chris Kim, VP of Business Development at AramSCO.

About Retailers Supply Co, Inc.

Founded in 1948, our days of selling burlap sacks, twine, and shoe polish to corner grocery stores (retailers) are over. 74 years later, we are a true supplier-partner in the Janitorial and Sanitary Maintenance industry. While our business has changed, our dedication and focus on the customer has not. Retailers Supply is proud of our professional team and the experience we have to help you identify the best and most cost-effective solutions for your facility.
