The Besen Group to Host Comprehensive Private 5G Seminar at MWC Las Vegas 2022

Washington, D.C., June 6, 2022 (PRWEB) – The Besen Group, an international mobile data industry management consulting practice headquartered in the Washington DC area, with representatives in Paris and Tokyo, will host Private 5G seminar titled “How to Launch a Successful Private 5G Network in the US” on Wednesday September 28th from 2pm – 5pm PT at MWC Las Vegas 2022.

MWC Las Vegas 2022, in partnership with CTIA, is the GSMA’s flagship event in North America showcasing the hottest trends in connectivity and mobile innovation. For more information, please visit <https://www.mwclasvegas.com/>.

“We are going to host a comprehensive private 5G seminar in the US, where the private networks ecosystem come together to unite, expand and enable the private networks market,” said Alex Besen, Founder and CEO of The Besen Group LLC. “Engineered to provide an exceptional delegate experience, our private 5G seminar facilitates true networking and exclusive content for enterprises and positions our seminar sponsors’ brand as the leader in the private networks sector. Current sponsors for our seminar include Celona, Cellwize and Limitless Mobile.”
