

## Jack and John Petrie was Interviewed by Benji Cole for Their New Book

*Jack Petrie and John Petrie just released their new book titled 'Wee Willie One Sock'. This is an excellent children's book and currently John will be interviewed by Benji Cole as they aspire to carry out the appropriate book promotion.*

*Jack had other obligations at the time.*

**[April 20th, 2022]:** An all-new children book has been released and it is titled, 'Wee Willie One Sock.' It is a very well thought out children book that will take children through the

different parts of Willie's home and is a great way to encourage the reading habit in them.

As a part of their book promotion, the author, John, will appear on CBS radio as he will have an interview with Benji Cole. They are optimistic about the reaction and response that the book will receive. The good thing about the book is that it ends up imparting a very good lesson as they want the kids to truly learn the art of sharing things and helping others out at the same time.

*The author was quoted as saying, "We are thoroughly pleased at how our concept mapped out in the book. We wanted to convey the message that sometimes by sharing things, we can end up helping others. This is a very important lesson that should be inculcated early in the life of children."*

With their book promotion, they have been very busy and can't wait to see as to how the results turn out to be. They want to talk more about the book and how the concept despite being very simply ends up being mighty appealing for children. The authors believe that it is a must pick book for every parent who wants their child to learn the right habits while inculcating the reading habit on to them.

Those who would like to know more about the different details of the book and even those who would like to grab a copy should make it a point to visit

### **About Wee Willie One Sock**

*Wee Willie One Sock* is a children book wherein a mother finds her son Willie with just one sock on his feet. As they move around the house looking for the sock identifying all of the furniture by name; they find two cats fighting for it. The mother then decided to give Willie's other sock to a cat to resolve the fight.
