

10 Sizzling Summer Staycations

As the final weeks of summer approach, many people remain uncertain about whether to plan travel. With a staycation, there are no headaches or hassles because you have the ultimate control. It's the perfect way to have an adventure in your community while helping the destinations, restaurants, and gig workers in local economies thrive.

Check out these tips from Buckle to have fun in the sun while staying close to home!

01

Take Your Tummy on a **World Tour**

Order dinners from DoorDash or Uber Eats to sample foods of the world. **Bonus:** No cleanup!

02
