## News Release

### York Ag and GABSA IMPEXVET sign new BOVAZYME distribution agreement for Mexico

**York Ag granted GABSA/IMPEXVET exclusive distribution of BOVAZYME in Mexico. BOVAZYME is a proprietary enzyme blend for ruminants.**

(York, Pa., August 12, 2022) York Ag, a dynamic supplier of holistic ingredient solutions that optimize animal well-being, and GABSA/IMPEXVET, a Mexican biotechnology developer and supplier of animal nutrition and production products, have signed an exclusive distribution agreement for BOVAZYME®, an enzyme blend for dairy and beef cattle, and small ruminants. GABSA/IMPEXVET is based in Mexico City and has thirty-five years of experience commercializing products for beef and dairy cattle, aquaculture, pets, and agribusiness applications.

York Ag believes Everyone Deserves a Nutritious Meal®. Its proprietary products, BOVAZYME® and BOVAZYME® Organic are enzyme blends that help support digestion in ruminants. “We are delighted to call GABSA/IMPEXVET our partner of choice in Mexico. Our teams will be collaborating closely to help grow the BOVAZYME brand in the Mexican livestock industry,” said Bill Achor, President and CEO of York Ag.

“Our team has proudly served the animal nutrition and production industries in Mexico for more than three decades. We are excited about our new partnership with York Ag and look forward to growing the BOVAZYME brand in Mexico,” said Dr. Gladys Hoyos, General Manager and CEO of GABSA/IMPEXVET.
